How to Score a Match

Step 1 – Open Scoring Application (iPad)

Log in to MyCricket Live Scorer App using your club-assigned scorer's login. If you do not have the app, you can download it here for iPad or here for Android.

If you do not have a login, please email the HCC Technology Manager with the following details, and one will be created for you:

- o **To:** webmaster@heidelbergcricketclub.com
- Subject: MyCricket Live Score Login Request Team
- o In the body of the email, provide:-
 - Your Full Name :
 - Your Email address:
 - Your Mobile Phone :
 - Which team you are wanting to score (ie "U14 Red Boys")

Step 2 – Select Match

Start upcoming match by clicking arrow in bottom right

Step 3 – Select Team/Players

If team is selected in MyCricket, teams will already be populated. If not, click the plus symbol for each player to select the team.

If a player is not appearing it means that most likely they will not be registered to the Association or do not have a role at the club (click <u>here for help on Team Selection</u>).

Step 4 – Continue to Match Setup

Following selection of teams click continue to match set up

Step 5 – Match Settings

In the settings window scroll down to Junior Formats / Pairs Settings (Junior Formats values begin at Max Balls per batter):

(Refer to table in Appendix "A" for the settings for DVCA Age Groups/Grades)

Step 6 – Match Settings - Reference

Apply the relevant settings as per "Appendix A"

Note: Default settings may be different, change according to "Appendix A"

Step 7 – Enter Toss Result

Enter Toss Result and begin to score match!

Step 8 – Select Opening Batters

Select the opening (On-Strike Batter) – Click "**Done**"

Select the 2nd Opening Batter (Non-Striker) – Click "Done"

Select the Opening Bowler – Click "**Done**"

Begin Scoring the match!
